

Case Study

One Stop Platform of HRD Projects

Access information & useful data online

About the Project

Our Client, the fundamental body of Indian democracy is a harmonious representative of the people chosen by direct election on the basis of adult suffrage. With an aim to congregate the nation a better understating of its activities and easy accessibility of information, they desired to use advanced web technology. They aspired to have a dynamic database driven website as per Govt. of India guidelines to project the legacy more majestically and elegantly to its visitors.

How We Helped

We at Indus Net Technologies helped the clients in designing the website and delivered a fresh and clutter-free website based on dynamic data to provide details and interesting information so as to offer visitors an ease of learning & sharing.

<https://www.indusnet.co.in/> | E: info@indusnet.co.in | Ph: +91 33 23576070

The website has the following features:

1. Arrange of information into different related segments to provide better understanding and acceptance of the huge database.
2. Use three colour themes for the user to choose from to bestow the site simple yet smart look and feel; easily access website text only- without photos/pictures and option to convert of all data including PDF files into accessible format.
3. Auto Archive Data Management using CMS based Inputs & Output Web pages (e.g. Lok Sabha No., Year, Session, Month etc.)
4. Application tool on no. Of visitors of main website and main group web page for usage analysis requirements.
5. Bulletin Board/New Events Management, Calendar of Events Management, Circular Management, Forms, Downloads Management and FAQ Management tools for easy and smooth flow of information
6. Online Tender Management options to allow users update about the latest information of government tenders
7. With the notion to familiar the people with its activities , Incorporate Virtual Tour to familiar the people with its activities and glorious history of this prestigious body
8. Introduce Speaker's Office section to establish one-to-one communication with the hon'ble speaker

The Achievements

1. This bi-lingual website allows reader to stay updated about the latest news and events and also to acquire knowledge about the history of this imperative part of Indian democracy
2. The site is boosted with information, covering each states and details about the members of the body since the inception
