

## **Indus Net Technologies Celebrated Its Grand Success of 17 Years**

The company recently completed its 17 years of glorious journey

**Kolkata, India, September 20, 2014** – This September, [Indus Net Technologies](#) completed 17 years in business. The company was gearing up to celebrate its “success of 17 years” in a grand way on 17<sup>th</sup> September from months back. After all, it was on this date of the year 1997 when INT was founded by Mr. Abhishek Rungta as a one-man organization and in just 17 years, Indus Net has grown to a company with 550+ in-house professionals.

Headquartered in India, the company presently operates from 4 other global locations like UK, USA, Australia and Singapore & has already served 10,000+ clients based in 40 countries. Having helped global companies “Save Smarter, Serve Better and Grow Faster” & make their businesses future ready by leveraging the “Nexus of Forces” – Cloud/Web based custom application development, Mobility and Digital Marketing services, the organization has recently started offering end-to-end Digital Marketing services through an agency based business model. Meant for both domestic enterprises and digital marketing agencies, this service offering focuses more on integrated digital marketing needs for companies.

What helped the company walk through such a glorious path of success are their ability to innovate every day, commitment towards creating value and love for technology. Over this period, the company along with its training vertical and product lab has not just achieved huge business success but has earned multiple global recognitions and awards. The list includes:

- #1 IT SME in India by Dun and Bradstreet in 2008
- One of the top 100 SME by CRISIL (A S&P Company) in 2008
- NASSCOM EMERGE 50 in 2010
- Deloitte Technology Fast 500, Asia Pacific in 2010 and 2011
- Deloitte Technology Fast 50, India in 2011
- ET Bengal Corporate Award, 2013
- India SME Awards, 2013

Now, to mark these moments of pride and share the joy of success with its employees, clients & business associates, Indus Net Technologies celebrated this year’s annual day with much glory and grandeur. Hosted at the Royal Bengal Room of City Center 1, Salt Lake City of Kolkata, the evening celebration included enkindling of the lamp, a special speech by Mr. Rungta and an hour-long cultural performance by the eminent music maestro Mr. Debojyoti Mishra & his team followed by an industry networking dinner. With this celebration, the

company management actually intended to thank all of its clients, business associates and the entire industry ecosystem for their immense support and trust.
