COMPANIES

Kolkata : Indus Net Technologies (INT) is eyeing to file an IPO and getting listed on Stock Market in the next 5 years, its Founder and CEO Abhishek Rungta said.

“Analytics is getting more predominant and the requirements of the organization constantly changing. We have dynamic goals to align INT. V.3.0 on a growth path. Hence, launched one of the key objectives Analytics/BI, ML/AI as a service domain and initiated a special CoE on Analytics/BI, ML/AI. INT in the next 5 years is looking towards a 3x growth, File an IPO – Getting Listed on Stock Exchange. More importantly touching the lives of 1bn people through work” he said.

The company, which has celebrated its 25th anniversary on 17th September, has evolved from a web hosting company to an full-cycle product engineering company in the last 25 years.

With a current recruitment drive to fill up mid-level and senior level positions, INT is already on a non-stop process to add well-known brands and organisations as clients, to do capability acquisitions in analytics, cloud support and cyber security in the years to come.

They have already embraced the new normal of remote working or work from home for the employees with no plan to return to office ambience of late.

Some of the pilot projects in the organization on Banking & Finance, Hotel & Restaurant, Career Discovery, E-Commerce and HR- IT & MNC are in process. Hence with a lot of experience in data science and deep domain knowledge is to be one of the fastest-growing dedicated business team within INT.

Since inception of their Analytics division, INT has already worked with a number of global clients. They have developed a credit scoring model for loan borrowers, Customer Segmentation and Propensity model for the West African company Paelyt.

In 2021 INT. recognised the importance of analytics for enterprise and took a focused approach to serve its clients with a 360 digital transformation – product engineering, digital marketing and data analytics.

INT has won ‘ET Bengal Corporate, 2013’ for Best Existing Large Corporate Award and also received ‘India SME 100 Award’ in 2014. Bestowed as ‘Best Small Business of the Year’ by Franchise India in 2014, Indus Net Technologies has also received PRSI Kolkata, National PR Day Award of Excellence and BCC&I the Bengal Entrepreneurship Recognition in 2015.
